About Us

The Presbyterian Church of St. Columba by-the-Lake is a small but dynamic congregation, with a commitment to community, learning, and faith-in-action. We believe in innovative, inclusive, open-minded and creative worship and congregational life, stretching boundaries and fostering a community where every personality and gift is embraced and encouraged. At St. Columba, we know that children and young people experience God's mysterious presence in their lives in different ways. We accompany them on every step of their journey, offering them the resources, support, and fellowship necessary for them to explore their own path.

We have appreciated the work of paid Christian Educators at St. Columba for many years. The Children and Youth Coordinator will report to the Christian Education committee (who reports to Session, the leading body of our church). We are adapting the position to changing times and ages of our children/youth.

We are an equal opportunity employer and value diversity. All employment is decided on the basis of qualifications, merit and need.

Congregational Purpose

God's spirit has anointed us and sent us

To proclaim good news to the poor,

To release the prisoners,

To restore sight to the blind,

To free the oppressed,

To announce that

this is the year when God will act. Luke 4:18,19 (Isaiah 61:1,2)
